Aging and Disability Resource Center opens in the Lowcountry

Trident Area Agency on Aging (TAAA) will kick-off the official opening of the Aging and Disability Resource Center (ADRC) on Tues., Aug. 7. The kick-off event will be held at Cypress Hall at Wannamaker Park in North Charleston beginning at 10:00 a.m.

The Aging and Disability Resource Center is funded through a joint venture by the U.S. Administration on Aging (AoA) and the Centers for Medicare and Medicaid Services (CMS). The vision behind the grant is to create a single, coordinated system of information and access for all persons seeking long term care support services.

"We are inviting the community, consumers and organizations, to attend the ADRC Kick-off event to obtain information about resources that are available in our community," stated Trident Area Agency on Aging Executive Director Stephanie Blunt. "We are looking forward to an exciting event and ask that anyone planning to attend please RSVP by calling (843)554-2275 no later than July 31."
